Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose security has been made or a security order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications at 18 months from the date of filing. The USPTO will not publish an application made available to a defense agency under 35 USC 181 until no earlier than 6 months from the filing date or 90 days from the date referred to the agency. This application will be made available for publication 6 months from the filing date or 90 days from the above "date referred" whichever is later, unless a response is provided to the USPTO regarding the recommendation not to impose a security order.

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at 18 months from the date of filing. If the USPTO will delay the publication of an invention made available to the public by a defense agency under 35 USC 181, and avoid no further disclosure from the filing date of 18 months from the date of filing as required by 35 USC 181, the application will be published at the publication date of 18 months from the filing date. 30 days from the date of "Date of Publication" which is a date, unless otherwise specified, is the date of the USPTO's publication of the application as to the invention of a secrecy order.
